Boys again continue to develop and improve as a group. Today's game we had six players unavailable but still the boys dug in together as a team. The boys controlled the game from the first bounce and always seemed to be able to score at will. We also introduced rotational interchange at four minute increments, boys handled everything with style. Well played again.

Go Hawks.

An extremely cold and super muddy day. The boys tried hard for new coach Chris and put together a number of fantastic passages of play. A great effort even though the score didn't really reflect the state of play.

A great first half of footy. In the mud we left ourselves down in the second half with poor goal kicking. We didn't kick a goal in the last quarter and got out scored by Norwood. We must improve on our goal kicking come finals. Great team effort.

Our team played out a close contest until we kicked away in the last quarter. We played some fantastic footy and the whole team stood up when we had to reorganise defensively. It was enjoyable to see our team would not give in and played hard contested footy when it counted. Enjoy the win boys because you were sensational.

Go Hawks.
