Can You Help?

Our team of line markers – Andrew Catley, Cam Mellis and David Thornton could do with a few helping hands to get our ground(s) marked each week. We have a new, beaut line marking machine that makes the job a bit easier and a few helpers would certainly lighten the load of these hardworking chaps. If this is something you could assist with please see any of the trio listed above! *A few volunteers with 10 rounds to go means you may only be called upon once.....*

Millers Park

Many players and families will be aware of the vandalism done at Millers Park last Saturday late pm/early Sunday am. Once again our goal and point posts were the target of some pretty savage vandalism as well as the pavilion window smashed. Should you live in the Millers Park vicinity, please keep an eye and ear out for anything suspicious and call the Police on 000 to report anything you see or hear.

Huge vote of appreciation from all BJFC players and families to the fellas (and Sandra Bell) who carried out the repairs in time for our games last Sunday – it was a great effort to get our Under 10's game underway on time at 9.30am!!!

Merchandise Orders

Stay tuned for a new simplified process for ordering of club merchandise and apparel. Our Property Manager – Armin Mueller and Merchandise Co-ordinator – Cath Mellis has been hard at work filling all those orders of socks, shorts, tops, jackets and bags, etc.

Armin and Cath are working on putting a simple process in place to assist in getting those orders filled quickly and out to players and families even faster! Stay tuned.....

General Committee Member

Our Committee currently has a vacancy for a General Committee Member. Please give it your consideration as an opportunity to be involved and contribute to the running of our great club. Enquiries may be directed to our Club Secretary – Annette Esposito to 9762 3264 or boroniajnr@efl.org.au.

Final Call for Registration Fees

Registration Fees are now overdue. If you are still to pay please give them to your Team Manager at training this week.

Boys had great effort on very small ground. The boys had three key targets from mid week training and stuck to those targets very well. The feature of today's game was our passing to targets by foot but especially by handball. Next week's focus will need to be on manning up, as boys are scoring well each game.

The score didn't tell the story today. Fantastic game by the boys. The umpiring allowed for tackling and hitting the ball out of players' hands. Once we adjusted to this we played like a great unit. Keep trying boys; I can see the improvement every week. Good job.
